Food for Thought

While early summer is a perfect time to start identifying meal locations, a small number of establishments have started accepting reservations. Whether you start now, in the summer, or somewhere in between, this guide will be very helpful. Click map to the right to get the full guide. We do not yet have information from NFCYM on food trucks and boxed lunches, but will keep you informed.(NOTE from the Field: Rose Dunning learned that Loughmillers will no longer be taking group reservations and cannot accommodate anyone under 21.)

The guide can also be found on the **E&C Share Point**.

Don't Forget!

Don't forget that <u>rooming lists</u>, <u>DOR medical</u> <u>release forms</u>, and second deposit are also due on June 1!
